

Ask About Fall 2026 HDT Enrollment

Mr. Takeshita, TSP

What is High-Dose Tutoring (HDT)?

- Small-group instruction (3–5 students) for eligible students
- 45 hours of instruction (3 days per week, 45-minute sessions, 20 weeks throughout the school year)
- Services happen at school, after school
- Research shows that frequency and duration (“dosage”) significantly impact student achievement
